

In accordance with guidance regarding public health, the **Southeastern LatinX Student Leadership Conference: Somos el Cambio** has been postponed to the 2020-2021 academic year. Our goal is to reschedule for the 2020 fall semester but if we are unable to confirm our booking, we will hold the conference during the 2021 spring semester. This decision is not made lightly, but with an abundance of caution for community members in the southeastern region. While our committee is disappointed that the event will not be able to proceed this April, we are committed to our attendees and want to do everything within our power to promote the best outcomes in this developing situation.

The SL-SLC Committee has a lot of work to do to evaluate the consequences of this decision and we will be discussing this in the days ahead. We extend our deepest regrets but we have everyone's best interest in mind. We will be in touch as soon as possible with additional information. In the meantime, we appreciate your continued patience and support of the SL-SLC.

Thank you for your patience and understanding,  
SL-SLC Student Committee
